### Life Group Discussion

Dear Life Group Leaders: We are thankful that you are leading a group through the I Am Jesus series. Thank you for taking that step! All of the resources for this series can be found at [www.whoisgrace.com/iamjesus](http://www.whoisgrace.com/iamjesus)

This discussion guide is a resource for you as the leader to create conversation about what we are learning and provide opportunities for accountability and personal growth. Feel free to supplement this guide with other questions/prayer prompts/etc from the I Am Jesus booklet.

**Encouragement:** We've been encouraged to intentionally practice solitude and fellowship. Share a story from your experience over the last week!

**Scripture:** Read Psalm 23.

- What do you think the author of this passage wants you to understand about the Good Shepherd?
- What kind of phrases does he use to describe God and his presence in our life?
- Re-read verse 6. How does this passage encourage you to live with joy and peace NOW, while we wait for eternity with Jesus?

**Prayer:** Have a member of your group re-read Psalm 23 as a prayer. As the scripture is read, have the group members lift their hands, palms open and facing upward, to symbolizing receiving the promises of the Good Shepherd.

**Next Steps:** Remember to practice solitude and fellowship this week! Schedule it and make it happen!
